

Prayer for the ODCCW Diversity Committee

All-inclusive God, you call us to be in relationship with one another and promise to dwell wherever two or three are gathered in your name.

In the diocese of Orlando there are many different women, of many different ages, from many different places, with many different cultures. Let our efforts lead the Orlando Diocesan Council of Catholic Women to be a reflection of the diversity of the women of this diocese.

Open our hearts that we may be bold participants in finding the treasures in the diversity among us.

Bless the work of this committee as we explore ways to reach out to those who are different in age, different in culture and background, different in location.

Guide us to rejoice in our own differences as a committee, to draw upon the strengths of each member, and to work together in Your Holy Name.

Help us see through the eyes of a child.

We pray this prayer in faith and love, through the intercession of Our Lady of Good Counsel. Amen.
